Youth Conference

Last week a group of year 5 pupils represented Mayflower at Tower Hamlets Religious Education Youth Conference, at West Ham Stadium. They worked in collaboration with pupils from different schools in Tower Hamlets.

The aim of the conference was to share experiences and learn from others and to encourage open-mindedness about religious beliefs in Tower Hamlets.

After the conference the group met Sadiq Khan, London Assembly Mayoral candidate. They told him about the conference and he was really interested to learn about it, and asked to have his photo taken with the group.

Hand Washing

We had a demonstration about hand washing and germ prevention in assembly today. Heba showed us that we should wash our hands at least 4 times a day for 15 seconds with soap. We have had lots of children with stomach bugs so we all need to be washing our hands more carefully.

Parents' News

Congratulations to Farzana Begum who will be our new Parent Governor.

We are delighted to see our **breakfast club** being so well used. One of the reasons for breakfast club is to make sure children are in class, on time, with full stomachs, ready to start their day.

Please come to **breakfast club from 8.00 am until 8.40**. We need to stop admitting children at 8.40 so that everyone has time to enjoy their breakfast, and Rayhana, Rosemary and Marcia have time to clear up and for children to be in class on time.

Educational Visits

Tuesday 10th May: Hokusai Class visiting the Crystal Building led by Helen and Shipli

Cambridge	115

Space Science

Have a look at the fantastic space science that is taking place in Riley Class. They have set up some amazing experiments with seeds, each batch are growing under different conditions.

Some of them have been in space and have been sent to us by astronaut Tim Peake. This is a blind

experiment so our scientists don't know which batch have been in space yet.

They are keeping careful logs about what is happening.

They even have a gravity plant hanging up their class!
