Poplar Community Event

We were very proud to see Ofili and O'Keeffe Classes represent our school at the switching on of the Crisp Street Christmas lights. They sang beautifully, with actions and they had a real stage presence. Tessa, the presenter, asked them why the Queen visited our school in the summer and they were able to tell her with confidence all about our school's history and our centenary. It was great to see so many families and staff in the audience. The classes were also part of a lantern procession, following a band of musicians around the market before MP Jim Fitzpatrick switched on the lights.

Health Promotion

As part of our healthy week at Mayflower we had a poster competition to design hand washing posters. As you can see our pupils understand the importance of **thorough and regular hand washing**. The

GP who visited us said it is the best way to avoid getting ill! The GP also recommended that we all take multi-vitamins daily. The posters will be in our toilets as a reminder to all of us! To wash our hands thoroughly.

Attendance Update

At Mayflower we aim for **100%** attendance, because everyday of learning counts. We are delighted to see that **125** pupils **achieved 100% attendance this term!** Well done to all of you. Our whole school attendance so far this year **96.8%**. We want to make sure we reach our **97.5% target** by July! Recharge your batteries over the holiday ready for an even healthier new year. Kapoor Class really need to make sure their attendance improves! **Thank you** to all our families who are arriving at school at **8.45** and parents who leave school by 8.55. This prevents queues at reception, as parents try to leave and some families are still arriving **late**. We have **75 fewer** children arriving late this term!
