

## Mayflower Primary School Pupil Premium Strategy for 2019-20

Financial year	Percentage of disadvantaged pupils on roll	Pupil Premium Funding
2019 - 2020	39%	£216,480

The needs of our disadvantaged pupils are a focus when planning for teaching and learning at Mayflower. Data and findings from sound research are used to identify the needs and to find solutions to diminish the difference that can occur in progress and attainment between disadvantaged and non-disadvantaged pupils. We continue to look for opportunities that will support our disadvantaged learners. Some of our chosen strategies are not specifically targeted at disadvantaged learners because they are whole-school strategies that impact on all pupils.
