## History in Poplar

We were delighted to have the opportunity to see a real steam train in Poplar this week. Classes visited Poplar depot and saw the refurbished Victorian steam train. The train is 150 years old, first built in 1872. Mayflower pupils climbed onboard and learnt how the train was powered by coal.

To keep well informed about our school please visit our vibrant website for regular learning updates. If you don't yet have it on your phone, ask the office team to show you how to install it.

# Parents' News

We are in hay fever season! Please make sure you give your child hay fever tablets, before they come to school if they need them. We have a small supply of tablets but we need to keep these for if a child has an allergic reaction. It might be worth looking online and buying tablets in bulk as it works out less expensive, but we can't supply them at school anymore.

Our stay and play sessions have begun for children due to start nursery in September. If you are interested in attending please see Ben, Rosie or Amelia in EYS.

I am noticing more children arriving late to school. Start time is 8.45 please make sure your child arrives then. If you are having difficulties getting up and out of your home early enough children can attend breakfast club for free. Any child arriving after 8.55 will be missing their play-time from now on!

As we say at Mayflower ..A quarter to nine, then you're on time!

We only have 5 weeks left until the end of the school year please make sure your child is at school on time every day.

## Maths Week
