Dear Mayflower Families,

I am delighted to welcome you all back to a brand-new school year at Mayflower! I hope you and your children had a wonderful, safe, and restful summer break, full of special memories and fun.

Having served as your Deputy Headteacher, it is an absolute honour and privilege to now step into the role of Headteacher. 01 September 2026

Dear Adam Stock and Megan Hunter,

We are writing to congratulate you, your staff, governors and pupils on the outstanding Key Stage 2 outcomes achieved by Mayflower Primary School this year.

The results show that your school has performed exceptionally well in reading, writing and mathematics combined, with outcomes above the national figure for pupils achieving the expected standard. In addition, your school has also achieved strong outcomes for the proportion of pupils reaching the higher standard. This is a significant achievement and reflects the commitment, ambition and hard work of the whole school community.

We know that outcomes of this quality do not happen by chance. They are the result of effective leadership, high expectations, skilled teaching, strong governance and the sustained efforts of pupils, families and staff working together. Your school's performance is making a real difference to children and families across Tower Hamlets, and this is something of which you should be very proud.

Please pass on our sincere thanks and congratulations to your staff, governors, pupils and wider school community. We greatly value the work you are doing to support children to achieve so well, and we look forward to continuing to work with you to build on this success.

Yours sincerely,

Steve Reddy

Lisa Fraser
