Mayflower Learning This Week

What an exciting and busy week of learning across the school! Here is a glimpse of what our pupils have been exploring:

- **Religious Education & Church Visit:** Year 1 and Ray Class visited our local church to deepen their understanding of Christianity. The children explored key religious objects and artefacts up close, bringing their RE learning to life!
- **Oracy & Black History Month:** In our Oracy assembly, pupils reflected on the inspiring legacies of historical Black trailblazers. They engaged in thoughtful debates exploring whether courage, education, speaking up, or collaboration is our greatest asset in driving meaningful change.
- **Geography Exploration:** Shah Class has been busy discovering world geography, locating 5 of the world's continents on the map using colourful hands-on activities.
- **Design & Technology:** Hockney Class explored textile techniques by practicing dry felting to craft their own peace badges!
- **Science Insights:** Corita Class demonstrated their scientific understanding of the water cycle by sorting and categorizing true and false statements about the natural process.
