Mayflower Learning This Week

It has been another exciting week of hands-on learning across Mayflower!

Year 5 pupils taking part in this year's **Disney Musicals in Schools** project enjoyed a very special delivery. A group of children were invited to unbox a stunning hand-painted *Inside Out* mural, which will help inspire their creativity as they continue working on the production. The children were delighted to be part of such a memorable experience and feel incredibly lucky to have received this unique piece of artwork.

Year 3 have been exploring where our food comes from through an engaging bread-making workshop. As part of the process, pupils learned traditional grain-to-bread skills, including how to **thresh, winnow and mill** wheat. The children then put their learning into practice by making and baking their own breads, gaining a deeper understanding of the journey from field to table.

These enriching experiences have provided fantastic opportunities for creativity, teamwork and hands-on learning across the school. 🌟 🍞 🎭
