Learning at Mayflower This Week

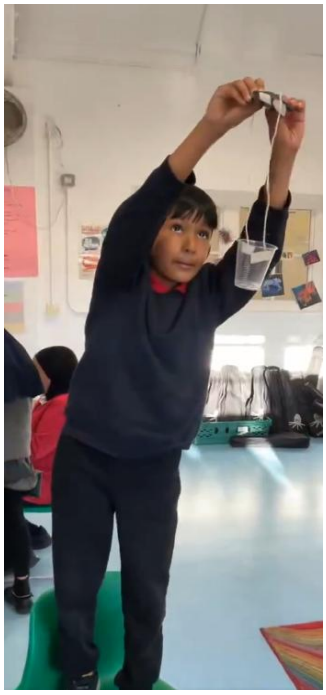

It has been another busy, hands-on, and creative week of learning across Mayflower! From composing music and testing forces to baking and building wolf-proof structures, our pupils have shown wonderful curiosity, teamwork, and problem-solving skills.

- **Music & Animation (Corita Class):** Pupils have been composing music to accompany an animated story with **@LightsCamScore**, exploring sound and rhythm on keyboards and working together on creative performance.
- **Forces & Parachutes (Burman Class):** As part of their science learning on forces, pupils have been making parachutes to investigate whether surface area affects how long a parachute takes to fall.
- **Moving Objects with Air:** In Design & Technology, pupils have been investigating how air can move objects—experimenting with balloons, air flow, and practical designs in class.
- **The Three Little Pigs Challenge (Kapoor Class, EYFS):** Inspired by a challenge from Mummy Pig, children selected materials to build sturdy houses and put them to the test against the "Big Bad Wolf" using a hairdryer to see which structures stood strong.
- **Baking & Measuring (Reception – Rana & Chagall Classes, EYFS):** Reception children have loved getting busy in the kitchen, practising how to follow a recipe carefully and measure out ingredients.
