Welcome Back to 2019

Happy New Year to all our families and to the start of our spring term. We are already a third of the way through our school year and have a busy term of learning ahead.

An exciting range of clubs begin next week. Please ask in the office to see where we may have some places left.

We are pleased to see that even more children are arriving at school by 8.45 which helps us to start our learning promptly. A reminder to parents to please leave by 8:55.

Our attendance last term was too low at only 96.2%! We really need this to improve significantly this term. Last year we were top in the Borough for attendance with 97.6% We want to be beat our high score this year and keep our pole position! Every day of learning counts –so please make sure you are helping us to stay at the top!

It's time to think about New Year resolutions, what are you going to do differently or do even better this year? Share your ideas with your friends and families.
