### **PE and Sports Premium 2014/15**

The yearly grant from the government has enabled us to continue to deliver high quality PE, Sports and Dance. This grant is partly used to fund our SLA with the Tower Hamlets Youth Sport Foundation.

### **Tower Hamlets Youth Sports Foundation**

The foundation was established in 2011 after the withdrawal of funding for school sports partnership nationwide. In Tower Hamlets, schools and PE coaches/sports leader wished to continue the excellent delivery of services. This is funded through a service level agreement. The total cost if this SLA was £9058.50 for the financial year 2014/2015 and is based on the number of pupils on roll.

This SLA provision includes:

- Access to regular training for teachers and support staff
- Two after school club each half term. The sports vary throughout the year. The clubs are run by professional coaches
- At least two sessions of curriculum support per week. These are led by sports coaches and enables our staff to have a high quality practical CPD in a range of sports
- Access to cluster and borough competitions/festivals in a range of sports

### **Impact**

The children grow in confidence and skills each year. This is evident in the levels of participation and popularity of our clubs.

- All year groups, access curriculum support during the year at least once (some up to four times)

- This year we will be taking part in competitions with other local schools including, football, 5 aside netball

### **In Addition**

We also use our grant to fund swimming lessons for LKS2 pupils. The cost of lesson and transport is: £11,842
