

PE and Sport Premium 2016/17 Expenditure Plan

PE and Sport premium funding for 2016/17 is £9,756

The PE and Sport Premium is used to improve the quality of sport and PE at Mayflower. The funding is provided jointly by the Department for Education, the Department of Health and the Department for Culture, Media and Sport.

Our Vision

We want everyone at Mayflower to enjoy the sense of adventure learning brings and to discover how learning changes lives. Therefore, we are continually striving to ensure that we nurture, challenge and enable each and every one to be the very best they can be in all areas of school life. At Mayflower, we recognise the contribution of PE to the health and well-being of the children. We strive to provide healthy eating options at break and lunch times, along with a range of fun activities designed to encourage enjoyment of exercise, motivate children to want to be active and the development of good habits which foster healthy living. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Rationale

We strongly believe that engagement in a range of physical activities will lead us to realise our vision for the children at Mayflower Primary School. We believe that physical activity is essential to a child's well-being and through our provision we aim to:

- Foster a love for and enjoyment of being active.
- Develop 'fitness for life' through promoting the health benefits of regular exercise.
- Identify talents and signpost them to appropriate organisations to enhance their skills.
- Develop self-esteem, confidence and social skills.
- Contribute to the physical development of each child.
- Give children a way of expressing themselves and an opportunity to be creative.
- Develop a range of skills that can be applied in other contexts.
- Give children the opportunity to try out activities that they would not otherwise have access to.

Swimming

We use some of the funding to provide weekly swimming lessons for year 3 and 4 pupils at the newly refurbished Poplar Baths. We have targeted Year 3 and 4 as we have found we have a higher success rate on the number of pupils who learn to swim and then go on and enjoy swimming as a leisure pursuit.

Parents and carers

We work closely with parents and carers to promote local sporting facilities and events, so that our children can continue to develop healthy lifestyles.

Occupational Therapy

Specialised occupation therapists will be providing OT for EY and KS1 to help them with their physical development.

Planned uses of the funding include:

- Purchased PE scheme of work
- Paying for professional coaches, dancers to teach pupils and support the training of teachers
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in the school games
- Buying materials for PE/sport
- Subsidising places for pupils on after school sport clubs and residential visits.

Please look at table below for further breakdown.

Measuring the Impact

- Pupil evaluations/feedback
- Measurement of skills/levels attained (swimming)
- Assessment of skills at the end of each term/year.

Use of Sports Premium April 2016 – April 2017

Anticipated funding for this year is £9,756. Projected costing may vary due to the availability of coaches and changing needs of certain year groups.
